* A total of 2 of the 4 interventions courses are required. The program is designed so that students complete one intervention course in Fall Yr 2 and the second intervention course in Spring Yr 2. However, students may complete both courses in the same semester (i.e. both in fall or both in spring). The courses listed above are those typically offered during the fall and spring semester. Course offerings may vary each semester based on faculty availability. Additional intervention courses sometimes offered include Humanistic/Positive Psychology and Existential Psychotherapy.

Only for students completing a half-time internship		
Year 5 Fall (5SH)		
Psy 681A:	Half-time Internship I	5
Year 6: Fall (5SH)		
Psy 681B:	Half-time Internship II	5
Total SH in Year 5/6		10

Students may take electives earlier in the program if desired. Students are reminded that half-time status is 5 units per semester. In order to maintain full-time status, students must be enrolled in 9 units per semester. Some external grants, scholarships, and awards may require students to have full-time status. Elective offerings may vary based on faculty availability. Electives typically offered include Advanced Practicum I & II (1SH each) in Yr 4, Counseling Older Adults (1SH), Substance Abuse Detection & Treatment (1SH), Child Abuse Detection & Treatment (1SH), Advanced Human Sexuality (1SH), & Domestic Violence (1SH). Students may also take additional intervention courses as electives after fulfilling Yr 2 intervention requirement.

TOTAL SEMESTER HOURS in PROGRAM	120
