TOTAL SEMESTER HOURS in PROGRAM **120**

ELECTIVES

Students must complete 9 elective units. PsyD 636, 637, 638, 639, 651, & 653 are required for CA licensure and will be offered as indicated above. Other electives may be offered as program resources permit. Students may complete a maximum of 4 units of electives as independent study (Psy 699). Students electing to take a third year of practicum must enroll in Psy 648 & 649. Psy 690 Special Topics will vary depending on faculty interest and availability.

Continuous Enrollment

Students falling off-track must enroll in Continuous Enrollment as described in the Program Policies Handbook
