Student Grievance Form

Instructions for Student Grievance Form

This form is to be used to submit a grievance after a student has been unable to satisfactorily resolve an issue or concern with the faculty, staff, students, or others involved. If this is a grievance related to a faculty member or class, please first address your concern to the faculty member. If you are unsatisfied with the result of that interaction, contact the relevant Department Chair for resolution of the concern. If that interaction has not resulted in a satisfactory outcome, please complete this form and contact the College of Arts and Sciences Dean's Office.

Please complete all fields, so your grievance can be reviewed.

Grievances may also be submitted anonymously; however, unless you include your contact information, the Dean's Office will be unable to investigate your grievance or respond back to you regarding the subject matter and/or next steps.
